## I. BASIS FOR JURISDICTION

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation, and the amount in controversy is more than \$75,000, is a diversity case. In a diversity case, no defendant may be a citizen of the same State as any plaintiff.

Yes  No

If you do consent to receive documents electronically, submit the completed form with your complaint. If you do not consent, please do not attach the form.

United States District Court  
Southern District of New York

## Pro Se (Nonprisoner) Consent to Receive Documents Electronically

Parties who are not represented by an attorney and are not currently incarcerated may choose to receive documents in their cases electronically (by e-mail) instead of by regular mail. Receiving documents by regular mail is still an option, but if you would rather receive them only electronically, you must do the following:

1. Sign up for a PACER login and password by contacting PACER<sup>1</sup> at [www.pacer.uscourts.gov](http://www.pacer.uscourts.gov) or 1-800-676-6856;
2. Complete and sign this form.

If you consent to receive documents electronically, you will receive a Notice of Electronic Filing by e-mail each time a document is filed in your case. After receiving the notice, you are permitted one "free look" at the document by clicking on the hyperlinked document number in the e-mail.<sup>2</sup> Once you click the hyperlink and access the document, you may not be able to access the document for free again. After 15 days, the hyperlink will no longer provide free access. Any time that the hyperlink is accessed after the first "free look" or the 15 days, you will be asked for a PACER login and may be charged to view the document. For this reason, *you should print or save the document during the "free look" to avoid future charges.*

### IMPORTANT NOTICE

Under Rule 5 of the Federal Rules of Civil Procedure, Local Civil Rule 5.2, and the Court's Electronic Case Filing Rules & Instructions, documents may be served by electronic means. If you register for electronic service:

1. You will no longer receive documents in the mail;
2. If you do not view and download your documents during your "free look" and within 15 days of when the court sends the e-mail notice, you will be charged for looking at the documents;
3. This service does *not* allow you to electronically file your documents;
4. It will be your duty to regularly review the docket sheet of the case.<sup>3</sup>

<sup>1</sup> Public Access to Court Electronic Records (PACER) ([www.pacer.uscourts.gov](http://www.pacer.uscourts.gov)) is an electronic public access service that allows users to obtain case and docket information from federal appellate, district, and bankruptcy courts, and the PACER Case Locator over the internet.

<sup>2</sup> You must review the Court's actual order, decree, or judgment and not rely on the description in the email notice alone. See ECF Rule 4.3

<sup>3</sup> The docket sheet is the official record of all filings in a case. You can view the docket sheet, including images of electronically filed documents, using PACER or you can use one of the public access computers available in the Clerk's Office at the Court.

Mr. Damon Dash, is obsessed, fixated and  
obsessed with my entire family and myself

Mr. Damon Dash, felt the need to lure my  
nephew Fontain Brown, to California  
February 2019 with the intent of having him  
murdered by his old ass men friends  
because he know his son lucky and  
his son boogie is not was not and  
will not do it for him, just as  
old as he had Tamel Dixon, murdered

10/2019 and Boogie and lucky I'm  
sure would not have been capable  
of messing around with Tamel either.

Damon Dash who I've never met  
has been stalking me from the end of  
2014 going into 2015, based upon  
things on my facebook page a  
woman by the name of BLtidalwave made  
a video about Jay-Z, and mentioned  
Damon Dash name, in her video that  
video was posted on my facebook  
page along with a Tidal  
concert as well as other material

Some involving Jay-Z, some not it all  
Caught the attention of these people  
causing them to question who was  
I Where I work @ and  
basically my whole entire life it  
came to the point they became  
so fixated and pre occupied  
with my life that they  
decided to do TV series, movies,  
and write books in regards to my  
life which is why Damon Dash  
talked Michelle Smalls into stalking  
me for 2 years in order to  
complete her book, this woman who  
I never met a day in my life is  
obsessed with my life and  
the life of Charmaine Dixon.  
Damon Dash is desperate to  
toy and slander my name which is  
why he somehow maybe most  
likely through third party talked  
Lpper Meek Mill Robert Williams  
to write the songs stuck in way  
Almost Slipped, Tic Tac Toe, Addles & Noodles

Championships Intro, Amended his verse on Nav song Tap along with his verse on DJ Khalid song You Stay was all directed towards me from Mr. Williams, considering he has nothing better to do than stalk me all day and night on social media from September 2018 to present from the time he was approached about me. Seeing him on the cee-cee show, with Teams my son father other nephew Shows me he is not someone that I would ever want to converse with So as far as Mr. Williams and the pitiful mother of his 2nd child who also feels the need to stalk me 24/7 365 days a year under the orders of Damon Dash to think I'm interested in this guy is mind boggling.
